Who are the

Militants of Mary ?

Militants of Mary (belonging to Militia of Mary) is a Youth Movement which provides space for activities that promote the full maturity and moral development of girls. Specific features of the movement are: sharing a love of the Virgin Mary; being in tune with the Pope and the universal Church; participating in a family atmosphere; promoting a spirit of excellence; providing support and encouraging perseverance in seeking to accomplish one's personal "life project." Ultimately, our goal is to promote personal sanctification through the cultivation of the interior life, the fulfillment of one's apostolic responsibility, and the development of a sound human person.
